

## Bird Watching

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Birds are everywhere! Head outside to observe and then draw a bird you saw.

Some birds like different kinds of weather. Was it sunny, cloudy, or rainy when you looked for birds?

Some birds are only out in the morning or night. What time was it when you looked for birds?

What do birds have for a mouth?

What do birds have for arms?

Draw your bird here:
