

## Organism Basic Needs

Name: \_\_\_\_\_ ANSWER KEY \_\_\_\_\_

Date: \_\_\_\_\_

Complete the Venn Diagram below by adding what plants and fish need for survival. Be sure to list the shared requirements for life where both circles overlap.

*Advanced Aquatic Adventurers:* Use two different colors of pen and list **Abiotic** features in black and **Biotic** features in blue ink.

-**Abiotic features are things that are not alive or from a living thing (rocks, water, air, etc.)**

-**Biotic features are all the living things (or things from a living organism)**
