Marketing: You may market your program on your own social media and communication channels. We will not be able to provide any recordings after the live programs.

Group Size: Zoom can support 100 participants. We suggest having people register with you for the program, then sending them the Zoom link. If you chose to post the link publically, the first 100 to sign on will be the only ones able to get in.

Connectivity: Joining the Zoom meeting will not require any downloads but participants must have internet access. The meeting will have a passcode and waiting room to ensure security of all participants. As the host, WAVE will have the ability to mute and remove video from any participant. If you would like, we can make 1 member of the booking organization a co-host to do so as well.
